

## TROUBLE AT MOKULEIA

The Peculiar Results of a Raid Last Night.

## CHINESE CAPTURE THE POLICE.

Attempt to Raid Gamblers Ends by Their Raiding the Officers—A Deputy and Three Police Held—One Chinaman Shot and One Clubbed.

The police authorities at Moku-leia got into a very unpleasant situation last night while making a raid on some Chinese gamblers. Acting upon information received Deputy Sheriff Andrew Cox and a number of native policemen and specials, constituting in all a posse about eight men, went to the house of a native woman by the name of Kakau, whose premises adjoin those of Gaspar Silva's rice plantation. As expected, they found several Chinamen gambling and the house was immediately surrounded.

The Chinamen, learning of the presence of the officers, made their escape out the back way and started on a run toward the large plantation house. Three officers gave chase. The Chinamen called for help and immediately there came pouring out of the house, enough Chinamen to make a very unpleasant party of forty or more.

The officers were attacked, and in self-defense they opened fire. One Chinaman received a bullet in the leg. Another was clubbed over the head. The Chinamen then turned in and overpowered the officers, and made them prisoners.

The Deputy Sheriff, hearing the shooting, ran up to find out the cause, and was also made prisoner. Mr. Silva went over to see if he could get the Sheriff and his men away, but the Chinamen were in a very ugly mood and said they would not give up the men until the arrival of Dr. Reid, who had been sent for. Dr. Reid resides at Waialua.

The Chinamen were warned that if the officers were in any way injured they would have to suffer.

Mr. Silva telephoned the ADVERTISER at midnight, and in response to a question said he could get the officers away with the help he had, but there was too much danger attached to such an undertaking so long as the Chinamen were waiting for the physician.

At 12:30 this morning Dr. Reid arrived and was conducted to the Chinese quarters and examined the man's wounds. Shortly afterwards the deputy sheriff and the policemen were released. Their revolvers had been taken from them by the Chinamen when they were captured. Arrests will be made to-day as the Chinese were attacked without cause, and they will have the officers arrested. The deputy sheriff remarked, after being released, that the officer had no right to shoot.

## Circus Last Night.

The tent was crowded last night by persons who expected it would be the last performance and who wanted to see Mr. Wirth in the leaping act. Owing to lack of practice on Mr. Wirth's part, Lahl Sing won by a couple of breadths, that is, two horse breadths.

Throughout the show was a good one. Little Muriel repeated the serpentine dance most gracefully and received hearty applause.

Owing to the non arrival of the steamer, Mr. Wirth feels justified in giving one more performance, on Saturday night. He dislikes to have the people think that the "farewell performances" are merely catch-penny advertisements and trusts the people will understand that he has had no hand in delaying Ogura & Co.'s steamer due a week ago.

The Saturday night program will be made up entirely of novelties, and Mr. Wirth will retaliate on Mr. Cameron for having him jump against Lahl Sing, by assigning him to an act on the program.

Just what it will be has not been decided; last night he was considering the advisability of having Cameron do an act on the flying trapeze while one of the horses would be made to run around the ring. The finale would come by Cameron turning a double somersault in the air, landing on the horse's back.

## KATE FIELD AND DICKENS.

Honolulu Public to be Favored With a Literary Treat.

In "An Evening with Dickens" to be given by Kate Field at the Kaumakapili Church next Tuesday evening Miss Field will treat her subject under the following heads: Dickens, the Actor; Dickens, the Dramatist; Dickens, the Journalist; Dickens, the Novelist; Dickens, the Merrymaker; Dickens, the Walker; Dickens, the Friend; Dickens, the Letter-Writer; Dickens' Household Words; Dickens' Fancies; Dickens' Style; Dickens, the Poet.

The London Times says: Miss Kate Field's lecture on Charles Dickens, enriched with many personal reminiscences of the great novelist, deals with his character as well as with his literary career. Anecdote and criticism felicitously blend, each shedding new light on the other. We have sallies of humor and touches of pathos, always telling, and sometimes epigrammatic, while now and then some home truth or generous sentiment profoundly stirs the audience. The peroration is a rare instance of emotional eloquence, rising, as it does, to a strain of solemnity and even of poetic beauty which rivets the listener. The literary merits of the composition are fully brought out by the speaker's grace and earnestness of manner, and by a delivery which, while it obeys all the laws of elocution, never seems artificial.

## Be on to Yourself.

Don't give yourself away by accepting any of the inferior brands of beer offered you. Be on to yourself, insist on getting Seattle beer and you will be looked upon as being intelligent and up-to-date. Criterion saloon sells this popular beer.

A Cold Water Paint Especially

Designed for Inside Work on Factories and Public Buildings.

It is a dry powder which can be prepared for use by simply stirring in COLD WATER, and can be applied by any one and will always produce good work.

It is VERY WHITE, extremely reflective and hardens on a wall like stone and will take any tint.

It will last for years and is unaffected by gases.

One coat covers better than two coats of oil paint or whitewash.

It can be used on any surface and for all classes of work, even for the finest decorating.

## Outside Indurine.

This is for Outside Work.

Such as Fences, Outbuildings and Laborers' Quarters. It is a thick paste to be diluted with cold water; stands rain and exposure, as well as oil paint, and costs but a fraction as much.

## COLD WATER KALSOMINE

Adapted for Dwellings, Offices and Public Buildings, or any other place where KALSOMINE is used. It will not rub, discolor or scale off.

## LUCOL.

A new Paint Oil. It comes raw and boiled; is superior to Maseed, and covers with one-third less lead and pigment to the gallon.

Bed Rock Prices!

A Model Plant is not complete without Electric Power, thus dispensing with small engines.

Why not generate your power from one CENTRAL Station? One generator can furnish power to your Pumps, Centrifugals, Elevators, Plows, Railways and Hoists; also furnish light and power for a radius of from 15 to 20 miles.

Electric power being used saves the labor of hauling coal in your field, also water, and does away with high-priced engineers, and only have one engine to look after in your mill.

Where water power is available it costs nothing to generate Electric Power.

THE HAWAIIAN ELECTRIC COMPANY is now ready to furnish Electric Plants and Generators of all descriptions at short notice, and also has on hand a large stock of Wire, Chandeliers and all Electrical Goods.

All orders will be given prompt attention, and estimates furnished for Lighting and Power Plants; also attention is given to House and Marine Wiring.

THEO. HOFFMAN, Manager.
